

Streetwires is an ideal secure venue for visitors to experience unique Township Craft in the convenience of Cape Town City Centre.

MEET THE ARTISTS  **WORK WITH WIRE ART**  **VISIT THE SHOP & GALLERY**

WHAT IS ON OFFER AT STREETWIRES?

 **FULLY GUIDED TOURS** of the vibrant working studio offers the opportunity for visitors to chat to over 100 artists and to see them creating the wonderful products available for purchase in the shop. From Mondays to Fridays between 9am and 4:30pm

 **INTERACTIVE WIRE-ART WORKSHOPS** for participants to learn the art and create their own souvenirs to take home.

 **WALK IN THE STREETWIRES SHOP** (at visit leisure no booking required), which has a wide variety of beautiful hand crafted wire and beaded gifts on offer, from the keyring through to masterpieces. We encourage purchasing of the art to support the job creation and sustaining initiative.

 **THE STREETWIRES GALLERY** displays Original art pieces, custom made for interior spaces and special galleries. We can arrange for shipment to any part of the world.

 **CUSTOM DESIGNED TOURS** can also be arranged.

WHAT IS STREETWIRES?

Streetwires recruits unemployed people and through formal training develops them as wire and bead artists.

Established in 2000, Streetwires began with the idea that for something as dynamic and imaginative as wire art, there should be a supportive business structure to boost the craft.

Visitors leave Streetwires positive and uplifted, having enjoyed the interaction with the artists and amazed at the creativity on display.

Please contact **Nolubabalo Komsana** to arrange your tour on the numbers below or directly at info@streetwires.co.za

STREETWIRES INFORMATION OVERVIEW 2012

LOCATION:

77 Shortmarket Street, Cape Town.
 See map below

PARKING:

For large buses there is parking available off Heritage Square. Small to medium buses can drop visitors off at the Streetwires studio at Shortmarket Street.

WALK IN ENTRANCE: Free

Mon to Fri: 08:30 – 17:00 (Tours & shop)

Saturday: 09:00 – 13:00 (Shop only)

Please book tours in advance.

- ☉ Suitable for ages above 10 years.
- ☉ Not suitable for wheelchair visitors as there are many stairs.
- ☉ Refreshments for sale.

GUIDED TOURS: 30 minutes tour from entrance to exit.

The tour focuses on the history of wire art, wire art in its current form, the background to Streetwires, how the wire art is made and interaction with the artists as well as a tour of the shop.

IN STUDIO WORKSHOP: 1½ hour workshop from entrance to exit.

This includes a full tour of Streetwires plus a practical workshop session whereby participants are shown and actually create wire art pieces. These pieces can be kept by the visitor. Each participant is provided with tools plus a wire and bead kit. Instructors are allocated to each group to demonstrate the steps involved in making wire art.
